DETAILED ACTION

Response to Amendment

This office action is response to Amendment file on 04/22/2005.

Claims 6-7, 9, and 16-23 are canceled.

Claims 1-5, 8, 10-15 and 24-31 are amended.

Allowable Subject Matter

Claims 1-5, 8, 10-15 and 24-31 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art record Wallace (Patent No. 6,463,272) teaches a method for providing a current location of a wireless communication device in a wireless communication network, wherein a service provider maintains a comprehensive call history database of said wireless communication network, said comprehensive call history database including call records of past calls in which said wireless communication device participated (Abstract, C3, L60-67, C4, L1-4, Fig.1, Illustrate memory No.60 wherein contain call history database said wireless communication device) and said method comprising: receiving a request for said current location from a requesting party; verifying that said requesting party is an authorized party; when said requesting party is said authorized party (C4, L16-28), activating a location determination process to determine said current location of said wireless communication device (C3, L54-67, C4, L1-4), s

Marlevi (Patent No. 5,572,221) teaches said activating operation including; predicting a potential location area of said wireless communication device, said predicting operation including determining said potential location area in

response to wireless communication (Abstract, C3, L1-52 teach the predicting next location position which means as potential location of said wireless communication device). B However, the combine of Wallace and Marlevi **fail to teach** between said wireless communication device and a transceiver site of said wireless communication network by ascertaining said potential location area from said comprehensive call history database; and initiating said location determination process in said potential location area; and supplying an indicator of said current location to said requesting party as substantially connect ad specific detail and combination as in claims 24-25.

Claims 2-5, 8, 10-15 and 26-31 are allowed as being dependent on the independent claims 1 and 25

Conclusion

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
